*Out of 50 states, the District of Columbia and the U.S. Department of Defense. **Early childhood education **National Association for the Education of Young Children. ***Six developmental domains are language/literacy, cognitive/intellectual, social, emotional, physical and cultural. ****Ten areas are immunizations, guidance/discipline regulations, diapering and handwashing, fire drills, medication administration, incident reporting, placing infants on backs to sleep, hazardous materials, playground surfaces under outdoor equipment and emergency preparedness.

Source for cost information: National Association of Child Care Resource & Referral Agencies. *Parents and the High Cost of Child Care: 2010 Update* - based on 2009 data.

All WCDB data is sourced from a survey of state licensing directors conducted by the National Association of Child Care Resource & Referral Agencies in December 2010. Note: Information was also verified against state regulations.

Child Care Centers in South Carolina

Strength

- ✓ Routine monitoring inspections are unannounced.
- ✓ Complaint inspections are unannounced.
- ✓ Center staff are required to have initial orientation, fire safety, and other health and safety training. Centers are required to have one first-aid and CPR-certified staff member on premises at all times.
- ✓ Health and safety standards address 10 of 10 basic standards (immunizations, guidance/discipline, diapering/handwashing, fire drills, medicine administration, following safe sleeping practices to prevent Sudden Infant Death Syndrome (SIDS), emergency preparedness, playground surfaces, hazardous material, and incident reporting).
- ✓ Center staff are required to undergo a comprehensive background check that includes using fingerprints to check state and federal criminal records and checks of child abuse and neglect registry and sex offender registry.
- ✓ Inspection and complaint reports are available online.

Weakness

- ✗ Center directors are not required to have any college credits/courses.
- ✗ Lead teachers in centers are only required to have a high school diploma or GED before working with children.
- ✗ Center staff are required to complete only 15 hours of annual training.
- ✗ Staff:child ratios are not in compliance with NAEYC accreditation standards for seven age groups.
- ✗ Program activities must only address three of the six developmental domains. Programs are not required to address any of the following: social, emotional, or cultural.
- ✗ Allows corporal punishment.
- ✗ Parent involvement is not specifically addressed.

Recommendations

- Require center directors to have a bachelor's degree or higher in early childhood education or a related field.
- Increase the education requirements for lead teachers to a CDA credential or an associate degree in early childhood education.
- Increase the annual training requirements for teachers to 24 hours including CPR and first-aid renewal.
- Require programs to address all six of the developmental domains in offering activities.
- Prohibit corporal punishment under all circumstances.
- Require programs to encourage parent involvement.
