*Out of 50 states, the District of Columbia and the U.S. Department of Defense. **Early childhood education **National Association for the Education of Young Children. ***Six developmental domains are language/literacy, cognitive/intellectual, social, emotional, physical and cultural. ****Ten areas are immunizations, guidance/discipline regulations, diapering and handwashing, fire drills, medication administration, incident reporting, placing infants on backs to sleep, hazardous materials, playground surfaces under outdoor equipment and emergency preparedness.

Source for cost information: National Association of Child Care Resource & Referral Agencies. *Parents and the High Cost of Child Care: 2010 Update* - based on 2009 data.

All WCDB data is sourced from a survey of state licensing directors conducted by the National Association of Child Care Resource & Referral Agencies in December 2010. Note: Information was also verified against state regulations.

Child Care Centers in Connecticut

Strength

- ✓ Child care centers and family child care homes caring for one or more unrelated children are required to be licensed.
- ✓ Routine monitoring inspections are unannounced.
- ✓ Complaint inspections are unannounced.
- ✓ Requires lead teachers in centers have a CDA credential or higher.
- ✓ Program activities must address all six developmental domains (social, physical, language/literacy, cognitive/intellectual, emotional and cultural).
- ✓ Health and safety standards address nine of 10 basic standards; programs are not required to have fire drills.
- ✓ Center staff are required to undergo a background check that includes using fingerprints for state and federal record checks but does not require a check of the sex offender registry.

Weakness

- X Child care inspections are only conducted once a year.
- X Center directors are not required to have any college credits/courses.
- X Center staff are required to have initial training in orientation but are not required to have training in fire safety or other health and safety topics.
- X Does not specifically address parent involvement or daily/frequent communication with parents.
- X Neither complaint nor inspection reports are online.
- X Child care licensing staff have an average caseload of 175 programs.
- X Child care licensing staff are not required to have a bachelor's degree in early childhood education or a related field.

Recommendations

- Increase frequency of inspections of child care centers.
- Require center directors to have a bachelor's degree or higher in early childhood education or a related field.
- Require center staff to have training in fire safety and health topics before caring for children.
- Require a check of the sex offender registry.
- Require parent involvement and daily/frequent communication with parents.
- Make both inspection and complaint reports available online.
- Reduce the caseload for licensing inspectors.
- Require licensing staff to have a bachelor's degree in early childhood education or related field.
