*Out of 50 states, the District of Columbia and the U.S. Department of Defense. **Early childhood education **National Association for the Education of Young Children. ***Six developmental domains are language/literacy, cognitive/intellectual, social, emotional, physical and cultural. ****Ten areas are immunizations, guidance/discipline regulations, diapering and handwashing, fire drills, medication administration, incident reporting, placing infants on backs to sleep, hazardous materials, playground surfaces under outdoor equipment and emergency preparedness.

Source for cost information: National Association of Child Care Resource & Referral Agencies. *Parents and the High Cost of Child Care: 2010 Update* - based on 2009 data.

All WCDB data is sourced from a survey of state licensing directors conducted by the National Association of Child Care Resource & Referral Agencies in December 2010. Note: Information was also verified against state regulations.

Child Care Centers in Georgia

Strength

- ✓ Routine monitoring inspections are unannounced.
- ✓ Complaint inspections are unannounced.
- ✓ Center staff are required to have initial orientation, fire safety, and other health and safety training. Centers are required to have one first-aid and CPR-certified staff member on premises at all times.
- ✓ Program activities must address five of the six developmental domains.
- ✓ Health and safety standards address 10 of 10 basic standards (immunizations, guidance/discipline, diapering/handwashing, fire drills, medicine administration, following safe sleeping practices to prevent Sudden Infant Death Syndrome (SIDS), emergency preparedness, playground surfaces, hazardous material, and incident reporting).
- ✓ Has requirements regarding parent involvement, addresses daily/frequent communication with parents and allows unannounced parent access.
- ✓ Inspection and complaint reports are available online.
- ✓ Child care licensing staff are required to have a bachelor's degree in early childhood education or related field.

Weakness

- X Center directors are not required to have any college credits/courses.
- X Lead teachers in centers are not required to have a high school diploma or GED before working with children.
- X Center staff are required to complete only 10 hours of annual training.
- X Staff:child ratios are not in compliance with NAEYC accreditation standards for seven age groups.
- X Center staff are required to undergo background checks, but these checks are completed without using fingerprints to check either state or federal records for all staff. The background check does not include a check of either the child abuse registry or the sex offender registry.
- X Child care licensing staff have an average caseload of 120 programs.

Recommendations

- Require every child care center and family child care home caring for one unrelated child or more for pay to be licensed.
- Require center directors to have a bachelor's degree or higher in early childhood education or a related field.
- Increase the education requirements for lead teachers to a CDA credential or an associate degree in early childhood education.
- Note: A CDA credential will be required in 2012.
- Increase the annual training requirements for teachers to 24 hours including CPR and first-aid renewal.
- Require the use of fingerprints for checking individuals' criminal history.
- Require a check of the sex offender registry.
- Require a check of the child abuse registry
- Reduce the caseload for licensing inspectors.
