*Out of 50 states, the District of Columbia and the U.S. Department of Defense. **Early childhood education **National Association for the Education of Young Children. ***Six developmental domains are language/literacy, cognitive/intellectual, social, emotional, physical and cultural. ****Ten areas are immunizations, guidance/discipline regulations, diapering and handwashing, fire drills, medication administration, incident reporting, placing infants on backs to sleep, hazardous materials, playground surfaces under outdoor equipment and emergency preparedness.

Source for cost information: National Association of Child Care Resource & Referral Agencies. *Parents and the High Cost of Child Care: 2010 Update* - based on 2009 data.

All WCDB data is sourced from a survey of state licensing directors conducted by the National Association of Child Care Resource & Referral Agencies in December 2010. Note: Information was also verified against state regulations.

Child Care Centers in Kansas

Strength

- ✓ Child care centers and family child care homes caring for one or more unrelated children are required to be licensed.
- ✓ Routine monitoring inspections are unannounced.
- ✓ Complaint inspections are unannounced.
- ✓ Program activities must address five of the six developmental domains.
- ✓ Health and safety standards address nine of 10 basic standards; programs are not required to place the infants on their backs to sleep.
- ✓ Child care licensing staff are required to have a bachelor's degree in early childhood education or related field.

Recommendations

- Increase frequency of inspections of child care centers.
- Require center directors to have a bachelor's degree or higher in early childhood education or a related field.
- Increase the education requirements for lead teachers to a CDA credential or an associate degree in early childhood education.
- Require center staff to have training in orientation, fire safety, and health topics before caring for children.
- Require that at least one person be in the program at all times who is currently certified in CPR and first aid.
- Increase the annual training requirements for teachers to 24 hours including CPR and first-aid renewal.
- Require the use of fingerprints for checking individuals' criminal history.
- Require a check of the sex offender registry.
- Require programs to encourage parent involvement.
- Make both inspection and complaint reports available online.
- Reduce the caseload for licensing inspectors.

Weakness

- X Child care inspections are only conducted once a year.
- X Center director education requirements do not meet NACCRRRA's recommended standard.
- X Lead teachers in centers are only required to have a high school diploma or GED before working with children.
- X Center staff are not required to have initial orientation, fire safety or other health and safety training.
- X Centers are not required to have a person trained in CPR present when children are in care.
- X Center staff are required to complete only 10 hours of annual training.
- X Staff:child ratios are not in compliance with NAEYC accreditation standards for five age groups.
- X Center staff are required to undergo background checks, but these checks are completed without using fingerprints to check either state or federal records for all staff. A check of the child abuse registry is required, but the background check does not include a check of the sex offender registry.
- X Parent involvement is not specifically addressed.
- X Neither complaint nor inspection reports are online.
- X Child care licensing staff have an average caseload of 151 programs.
