Child Care Centers in Maine

Strength

- ✓ Routine monitoring inspections are unannounced.
- ✓ Complaint inspections are unannounced.
- ✓ Center staff are required to have initial orientation, fire safety, and other health and safety training. Centers are required to have one first-aid and CPR-certified staff member on premises at all times.
- ✓ Center staff are required to complete 24 hours of annual training.
- ✓ Health and safety standards address 10 of 10 basic standards (immunizations, guidance/discipline, diapering/handwashing, fire drills, medicine administration, following safe sleeping practices to prevent Sudden Infant Death Syndrome (SIDS), emergency preparedness, playground surfaces, hazardous material, and incident reporting).
- ✓ Has requirements regarding parent involvement, addresses daily/frequent communication with parents and allows unannounced parent access.

Weakness

- X Center director education requirements do not meet NACCRRA's recommended standard.
- X Lead teachers in centers are only required to have a high school diploma or GED before working with children.
- X Program activities must only address three of the six developmental domains. Programs are not required to address any of the following: social, emotional, or cultural.
- X Center staff are required to undergo background checks, but these checks are completed without using fingerprints to check either state or federal records for all staff. A check of the child abuse registry is required, but the background check does not include a check of the sex offender registry.
- X Neither complaint nor inspection reports are online.
- X Child care licensing staff have an average caseload of 179 programs.
- X Child care licensing staff are not required to have a bachelor's degree in early childhood education or a related field.

Recommendations

- Require every child care center and family child care home caring for one unrelated child or more for pay to be licensed.
- Require center directors to have a bachelor's degree or higher in early childhood education or a related field.
- Increase the education requirements for lead teachers to a CDA credential or an associate degree in early childhood education.
- Require programs to address all six of the developmental domains in offering activities.
- Require the use of fingerprints for checking individuals' criminal history.
- Require a check of the sex offender registry.
- Make both inspection and complaint reports available online.
- Reduce the caseload for licensing inspectors.
- Require licensing staff to have a bachelor's degree in early childhood education or related field.
