*Out of 50 states, the District of Columbia and the U.S. Department of Defense. **Early childhood education **National Association for the Education of Young Children. ***Six developmental domains are language/literacy, cognitive/intellectual, social, emotional, physical and cultural. ****Ten areas are immunizations, guidance/discipline regulations, diapering and handwashing, fire drills, medication administration, incident reporting, placing infants on backs to sleep, hazardous materials, playground surfaces under outdoor equipment and emergency preparedness.

Source for cost information: National Association of Child Care Resource & Referral Agencies. *Parents and the High Cost of Child Care: 2010 Update* - based on 2009 data.

All WCDB data is sourced from a survey of state licensing directors conducted by the National Association of Child Care Resource & Referral Agencies in December 2010. Note: Information was also verified against state regulations.

Child Care Centers in Mississippi

Strength

- ✓ Routine monitoring inspections are unannounced.
- ✓ Complaint inspections are unannounced.
- ✓ Center staff are required to have initial orientation, fire safety, and other health and safety training. Centers are required to have one first-aid and CPR-certified staff member on premises at all times.
- ✓ Health and safety standards address 10 of 10 basic standards (immunizations, guidance/discipline, diapering/handwashing, fire drills, medicine administration, following safe sleeping practices to prevent Sudden Infant Death Syndrome (SIDS), emergency preparedness, playground surfaces, hazardous material, and incident reporting).
- ✓ Center staff are required to undergo a comprehensive background check that includes using fingerprints to check state and federal criminal records and checks of child abuse and neglect registry and sex offender registry.

Weakness

- X Center director education requirements do not meet NACCRRRA's recommended standard.
- X Lead teachers in centers are not required to have a high school diploma or GED before working with children.
- X Center staff are required to complete only 15 hours of annual training.
- X Staff:child ratios are not in compliance with NAEYC accreditation standards for seven age groups.
- X Program activities must only address two of the six developmental domains. Programs are not required to address any of the following: social, emotional, cognitive, or cultural.
- X Parent involvement is not specifically addressed.
- X Neither complaint nor inspection reports are online.

Recommendations

- Require every child care center and family child care home caring for one unrelated child or more for pay to be licensed.
- Require center directors to have a bachelor's degree or higher in early childhood education or a related field.
- Increase the education requirements for lead teachers to a CDA credential or an associate degree in early childhood education.
- Increase the annual training requirements for teachers to 24 hours including CPR and first-aid renewal.
- Require programs to address all six of the developmental domains in offering activities.
- Require programs to encourage parent involvement.
- Make both inspection and complaint reports available online.
