*Out of 50 states, the District of Columbia and the U.S. Department of Defense. **Early childhood education **National Association for the Education of Young Children. ***Six developmental domains are language/literacy, cognitive/intellectual, social, emotional, physical and cultural. ****Ten areas are immunizations, guidance/discipline regulations, diapering and handwashing, fire drills, medication administration, incident reporting, placing infants on backs to sleep, hazardous materials, playground surfaces under outdoor equipment and emergency preparedness.

Source for cost information: National Association of Child Care Resource & Referral Agencies. *Parents and the High Cost of Child Care: 2010 Update* - based on 2009 data.

All WCDB data is sourced from a survey of state licensing directors conducted by the National Association of Child Care Resource & Referral Agencies in December 2010. Note: Information was also verified against state regulations.

Child Care Centers in New York

Strength

- ✓ Complaint inspections are unannounced.
- ✓ Program activities must address all six developmental domains (social, physical, language/literacy, cognitive/intellectual, emotional and cultural).
- ✓ Health and safety standards address 10 of 10 basic standards (immunizations, guidance/discipline, diapering/handwashing, fire drills, medicine administration, following safe sleeping practices to prevent Sudden Infant Death Syndrome (SIDS), emergency preparedness, playground surfaces, hazardous material, and incident reporting).
- ✓ Inspection and complaint reports are available online.

Recommendations

- Require every child care center and family child care home caring for one unrelated child or more for pay to be licensed.
- Require center directors to have a bachelor's degree or higher in early childhood education or a related field.
- Increase the education requirements for lead teachers to a CDA credential or an associate degree in early childhood education.
- Require center staff to have orientation training and health topics before caring for children.
- Increase the annual training requirements for teachers to 24 hours including CPR and first-aid renewal.
- Require a check of individuals' federal criminal history.
- Require a check of the sex offender registry.
- Require programs to encourage parent involvement.

Weakness

- ✗ Center director education requirements do not meet NACCRRA's recommended standard.
- ✗ Lead teacher education requirements do not meet NACCRRA's recommended standard.
- ✗ Center staff are required to have initial training in fire safety but are not required to have training in orientation or other health and safety topics.
- ✗ Center staff are required to complete only 15 hours of annual training.
- ✗ Center staff are required to undergo background checks, but this does not include a federal criminal records check of all staff. A check of the child abuse registry is required, but the background check does not include a check of the sex offender registry.
- ✗ Parent involvement is not specifically addressed.
