All WCDB data is sourced from a survey of state licensing directors conducted by the National Association of Child Care Resource & Referral Agencies in December 2010. Note: Information was also verified against state regulations.

Child Care Centers in South Dakota

Strength

- ✓ Routine monitoring inspections are unannounced.
- ✓ Complaint inspections are unannounced.
- ✓ Center staff are required to have initial orientation, fire safety, and other health and safety training. Centers are required to have one first-aid and CPR-certified staff member on premises at all times.
- ✓ Program activities must address five of the six developmental domains.
- ✓ Center staff are required to undergo a comprehensive background check that includes using fingerprints to check state and federal criminal records and checks of child abuse and neglect registry and sex offender registry.
- ✓ Child care licensing staff have an average caseload of 50 programs or fewer.
- ✓ Child care licensing staff are required to have a bachelor's degree in early childhood education or related field.

Weakness

- ✗ Lead teachers in centers are not required to have a high school diploma or GED before working with children.
- ✗ Does not specifically address parent involvement or daily/frequent communication with parents.
- ✗ Neither complaint nor inspection reports are online.

Recommendations

- Require every child care center and family child care home caring for one unrelated child or more for pay to be licensed.
- Increase the education requirements for lead teachers to a CDA credential or an associate degree in early childhood education.
- Require parent involvement and daily/frequent communication with parents.
- Make both inspection and complaint reports available online.
